Law of January 6, 1978 relating to data processing and freedoms

In accordance with the law of January 6, 1978 on data processing and freedom, modified by the law of August 6, 2004, we are required to take all necessary precautions, in view of the nature of the data and the risks presented by the processing, to preserve the security of the data and, in particular, to prevent them from being deformed, damaged or accessed by unauthorized parties. Your data will not be transmitted to any third party, natural or legal person.

You also have the right to access, modify, rectify and delete all data held by ARSKAN.

Intellectual property and copyright

In accordance with article L.122-4 of the intellectual property code. Any representation or reproduction in whole or in part made without the consent of the author or his successors or assigns is unlawful. It is the same for the translation, adaptation or transformation, arrangement or reproduction by any art or process.

Therefore, any reproduction, representation, dissemination of the content of this site (graphics, logos, photos ...) on any type of media present and not envisaged is prohibited, unless expressly authorized by ARSKAN, and is likely to constitute an act of infringement engaging the civil and criminal responsibilities of any offender.

The setting up of a hypertext link pointing to the address <http://www.arskan.com/> is authorized except for any website containing information of a pornographic, xenophobic, political or religious nature, as well as any site containing content that is contrary to public morality and order.

ARSKAN is in no way responsible for the content of sites on which it appears as a hyperlink.

Procedure for reporting copyright infringement

ARSKAN has adopted the following general policy toward copyright infringement in accordance with the Digital Millennium Copyright Act. The address of the agent designated to receive notifications of claimed infringement is listed at the bottom of this page.

If you believe that any material, content accessible through the ARSKAN Company websites or services infringes a copyright, send a notice of copyright infringement containing the following information to the agent designated below:

1. A physical or electronic signature of a person authorized to act on behalf of the owner of the copyright that is allegedly infringed;
2. Identification of the work or material being infringed;
3. Identification of the work that is claimed to be infringed, including information concerning the location of the infringing material that the copyright owner seeks to have removed, in sufficient detail so that the Company will be able to locate and verify its existence;
4. Provide information regarding the notifier (including address, telephone, e-mail...);
5. A good faith statement by the notifier that the work is not authorized by the copyright owner, its agent or the law;
6. A statement made under penalty of perjury that the information provided is accurate and the notifying party is authorized to take the claim on behalf of the copyright owner.

Company's Infringement Claim

Contact the agent designated below to receive notification of claims of company infringement.
